- **ROLE / POSITION**

US Army Corps of Engineers

SLS Objectives

FEMA

- **Achieve a common understanding of USACE, FEMA, and partner agency roles within the National Response Framework (NRF) and provide participants with an update on changes that impact how USACE and FEMA prepare for and respond to disasters.**

- **Develop executive level guidance and strategies for resolving issues and setting the direction for the way ahead.**

- **To encourage team building for USACE and FEMA Senior Leadership and their partners.**
